

## Every Body Athletics School Ambassador (2023-2024) Position Overview

### Every Body Athletics

Every Body Athletics' mission is to make a lasting impact on the physical, social, and emotional wellbeing of adults with intellectual and developmental disabilities (ID/DD) through inclusive group exercise. Using both individual and small group exercise activities involving physical and social instruction, EBA desires to provide adults with ID/DD the opportunity to achieve success and growth in both their physical and social fitness.

### Position Purpose

EBA is looking for passionate, driven high school and college students to serve as a School Ambassador for their respective schools during the academic year. EBA School Ambassadors play a vital role in leading and encouraging volunteers, and help cultivate an environment of inclusiveness and acceptance within both their EBA classes and school hallways. EBA School Ambassadors are the main points of contact for their schools, and collaborate with School Ambassadors from other schools during monthly meetings to brainstorm more ways to grow a community of inclusion. Many EBA School Ambassadors also lead "EBA Club" at their school.

A passion for disability, inclusion, and acceptance are critical qualities, as are positive leadership, organizational, and interpersonal skills.

### Position Outcomes

While the position is unpaid, becoming an EBA School Ambassador involves numerous benefits, including:

- Deepen knowledge related to disability, non-profits, education, and/or physical fitness.
- Develop leadership and relationship-building skills in a professional and educational context.
- Serve as an EBA representative for his or her school and peers.
- Considered for EBA Intern position in the future.
- Hours can be applied towards school credit.
